Our volunteers carry out the energy-saving check. They have had more than 100 hours of training to become experts on the topic and will be delighted to show you that saving energy is easy and worth the effort.

A joint campaign of:

Bundesverband der
Energie- und Klimaschutzagenturen
Deutschlands e.V.

Supported by:

Federal Ministry
for the Environment, Nature Conservation
and Nuclear Safety

based on a decision of the German Bundestag

Saving electricity and
money? Count me in!

Free of charge for low income households.

Free of charge for low income households.

My energy-saving check

- ✓ I will be consulted at home and **free of charge**.
- ✓ I will immediately save energy and **money**.
- ✓ I will be given a **personal savings-plan** that will give me details of my energy saving potential without affecting the quality of my life.
- ✓ I will receive great **energy-saving products** worth up to 50 Euros, for example energy-saving lightbulbs or water-saving shower-heads.
- ✓ My electricity consumption will fall and I will get to keep more money in my pocket.

My path to lower bills:

Make an appointment.

Energy-saving check at home.
Competent, reliable,
confidential.

A few days later: The energy saving products will be installed free of charge.

Reduce your electricity bill with your personal energy-savings plan.
